Compared to last week; steers and heifers traded mostly steady with a few load lots selling higher than last week. Majority of the lighter offering today being package trade. Due to low numbers the next Feeder Special will be April 16th. Overall a nice offering with a few buyers in the seats but a very active internet. Supply included: 100% Feeder Cattle (56% Steers, 44% Heifers). Feeder cattle supply over 600 lbs was 51%.
