Beginning October 1, 2025, the regular release of this report will be paused. Specialty Crops Market News will continue to release terminal market pecan pricing from wholesale markets that can be accessed through our other report releases at <https://www.ams.usda.gov/market-news/fruits-vegetables>, on our public data portal that can be assessed at <https://mymarketnews.ams.usda.gov/>, or through our publicly available API.

If you have any questions or concerns related to this change, you may reach us at MyMarketNews@usda.gov or at 202-720-1990.

Prices represent open (spot) market sales by first handlers on product of generally good quality and condition unless otherwise stated and may include promotional allowances or other incentives. No consideration is given to after-sale adjustments unless otherwise stated. Brokerage fees paid by the shipper are included in the price reported. Delivered Sales, Shipping Point Basis excludes all charges for freight.
