This will provide a true weekly average price (Sunday through Saturday). Currently, LPGMN utilizes cattle auction sales data from Friday through Thursday to compile this report. LPGMN will transition the publication date from Friday to Monday. By changing the publication to Monday, LPGMN will capture additional sales that occur at auctions on Friday afternoons and Saturdays, utilizing sales data from Sunday to Saturday, to capture a true weekly average price for feeder cattle.

The updated Livestock Summary will offer customers additional data to use in an evolving and competitive marketplace.
