

WYOMING WEEKLY SUMMARY

Recap For Week Ending

September 25, 2020

Receipts: This Week: 6,877 Week Ago: 5,304 Year Ago: 5,715

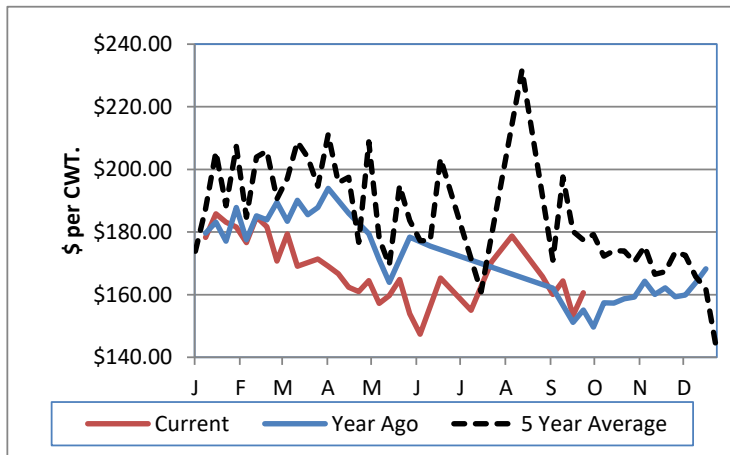

Compared to last week, steer calves sold 4.00 to 5.00 lower and yearling feeders sold steady to 3.00 lower. Heifer calves sold steady to 5.00 higher, yearling feeders sold 1.00 to 3.00 higher. Slaughter cows sold 1.00 to 5.00 lower and Slaughter bulls sold 4.00 lower. Demand was moderate to good for this week's trade. Quite a few cows and thin bulls going back to feed. Some of the calves had fall precondition shots. Drought conditions continue throughout the state and some ranchers are selling a little earlier than normal because of these conditions. Weaning the calves early will help save some feed resources and let cows get back in shape before winter. **Note: The reporting period for the Wyoming Auction information in this report is Friday -Thursday. The grain and hay information remains Monday-Friday**
