

WYOMING WEEKLY SUMMARY

Recap For Week Ending

September 17, 2021

Receipts: This Week: 4,628 Week Ago: 6,801 Year Ago: 5,304

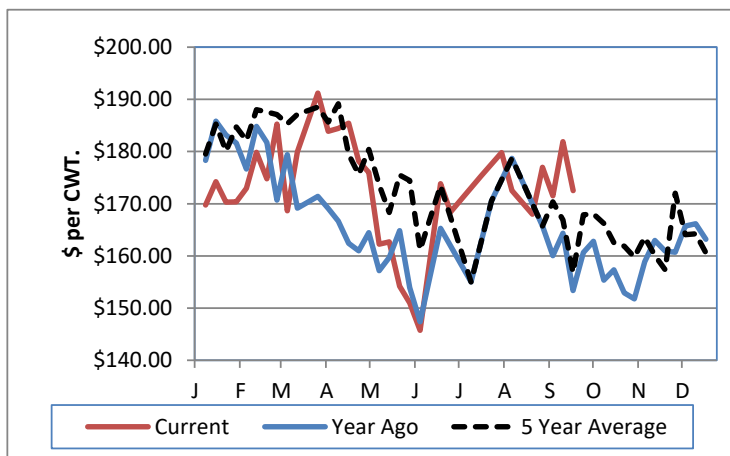

Compared to last week, steer and heifer calves sold unevenly steady on a light test. Yearling steers sold 4.00 higher and yearling heifers sold 4.00 to 6.00 higher. Slaughter cows sold steady to 2.00 higher and bulls 4.00 higher. Quite a few cows went back to the county for feeding purposes. Some young open cows are going back for rebreeding or recipient cows. Demand was good at all reporting auctions for all classes of livestock. Slaughter cattle receipts continue to run a little higher than last year. Along with replacement cows as ranchers are making the tough decision on cutting some or all their herd due to the drought and very high hay prices.
