

WYOMING WEEKLY SUMMARY

Recap For Week Ending

July 16, 2021

Receipts: This Week: 2,804 Week Ago: 1,430 Year Ago: 2,077

No recent test on feeder cattle but a higher undertone was noted. Slaughter cows sold 1.00 to 2.00 lower and bulls 2.00 lower. Cow/calf pairs sold fully steady. With dry pastures conditions across most of the state Torrington Livestock started their Wednesday special feeder auction a full month earlier than normal. With very high hay prices, short grazing, and limited water resources several cattlemen continue to make the very hard decision as they sell some or all their cow herds.
