The **USDA Agriculture Marketing Service**, through the Commodity Procurement Branch of the Fruit and Vegetable Programs, buys fresh and processed fruits, vegetables and specialty items from industry vendors. The service provides people with nutritious food and removes surplus production from the marketplace. Both fresh and processed apples are included in these purchases. Information on commodity purchasing and invitation acceptances can be obtained on the web at: <http://www.ams.usda.gov/AMSV1.0/FVFoodProcurement> Then click on the *Purchase Announcements* or *Weekly Purchase Reports* link in the middle of the page to proceed to the listing of current offers and purchase results.
