

Weekly Tennessee Cattle and Grain Summary

USDA Livestock, Poultry & Grain Market News

Nashville, TN

Monday, October 25, 2021

For Week Ending:

Saturday, October 23, 2021

Receipts: 9491

Last Week: 6,958

Last Year: 9,192

Compared to last week, feeder steers and heifers were mostly steady to 2.00 lower with light to moderate demand. Long-weaned (45+ days), preconditioned feeder cattle continue to see the best demand as fall temperature swings can create health issues for feeder cattle, especially those freshly weaned. Slaughter cows and bulls were mostly 1.00-2.00 lower with mostly moderate demand.
