

Afternoon National Slaughter Cattle Review as of 2:00 pm Wednesday

Thus far for Wednesday negotiated cash trading has been mostly inactive on very light demand in Kansas and the Western Cornbelt. Not enough purchases for a market trend. Negotiated cash trading has been at a standstill in all other major feeding regions. Last week in the Southern Plains and Colorado live purchases traded at 140.00. In Nebraska, live and dressed purchases traded from 136.00-140.00 and at 217.00, respectively. In the Western Cornbelt live and dressed purchases traded from 135.00-140.00 and from 213.00-217.00, respectively.
