

USDA Reschedules North American Potatoes Report to December 5

Issued Nov. 16, 2017 by the Agricultural Statistics Board of the U.S. Department of Agriculture, National Agricultural Statistics Service. For more information contact Lance Honig at (202) 720-2127 or lance.honig@nass.usda.gov.

The Agricultural Statistics Board has rescheduled the November 22 release of the North American Potatoes report. The new release date is Tuesday, Dec. 5, 2017 at 3:00 p.m. EST. This publication is the result of a joint effort by NASS and Statistics Canada to provide producers with additional information about potato production in North America. The release includes area planted and harvested, yield, production, utilized production, market year average price, and value of sales for both countries, combining U.S. fall potatoes only and Canada all potatoes.
