Green City Livestock Market's Annual Thanksgiving Sale was held over the course of the holiday week with yearlings sold on Tuesday and calves on Friday. No recently tested market for a comparison to Tuesday's Yearling Special, which featured mostly load lots and big strings of heavy cattle with the vast majority weighing over 700 lbs. A fairly even split of homeraised and backgrounded cattle, mostly steers, with 700-900 lb steers all bringing about the same money. Demand was moderate to good Tuesday with a limited number of buyers in play. Friday's Calf Special featured strings of homeraised calves from local producers, the majority of which were weaned with two rounds of shots. The most recently tested calf market was mid-November; the calves on offer Friday sold mostly 3.00 to 8.00 higher. Trade was very active with several local backgrounders ready to put some stock together. Steers weighing 450-550 lbs were the hottest ticket of the day and the steer to heifer prices spread was pretty wide for most of the sale. Supply was moderate both days. Supply included: 100% Feeder Cattle (64% Steers, 36% Heifers). Feeder cattle supply over 600 lbs was 64%.
