

**NEBRASKA WEEKLY SUMMARY**

Recap For Week Ending

October 23, 2020

**Receipts:** This Week: 25,738      Week Ago: 35,238      Year Ago: 34,795

Compared to last week steer calves under 500 lbs sold 3.00 to 5.00 lower, over 500 lbs sold 7.00 to 10.00 lower. Heifer calves under 400 lbs sold steady, over 400 lbs sold 5.00 to 10.00 lower. Yearling steers and heifers sold 3.00 to 5.00 lower. Demand was moderate to good. This time of year a lot of cattle make there way from ranch to town either from video sales or at area livestock auctions and are comingled at the receiving station. Most buyers prefer a fall vaccination protocol. But, if a really good calf with eye appeal makes there way through the ring quality out weighs shot records. Slaughter steers and heifers followed the CME board downward trend with live sales at 104.00-105.00 and dressed sales from 162.00-165.00.
