Livestock Weighted Average Report for 10/21/2020 (Final)

VIDEO AUCTION

This Week

Last Reported

Total Receipts:

:

Special Notes: Last Week's Receipts: 133

Compared to last week: Feeder steers and heifers not established this week. Many of the feeder cattle are cleaned up as we turn to calf season. Temps remain warm and dry, however there is plenty of hay and grass and farmers don't have to sell. Cold front is expect to move in early next week with temperatures making it feel more like January. Calf run could be on after that.
