Livestock Weighted Average Report for 10/15/2021 - Final

AUCTION

	This Week	Last Reported 10/8/2021	Last Year
Total Receipts:	3,570	4,099	3,353
Feeder Cattle:	3,162(88.6%)	3,626(88.5%)	3,042(90.7%)
Slaughter Cattle:	298(8.3%)	372(9.1%)	311(9.3%)
Replacement Cattle:	110(3.1%)	101(2.5%)	0(0.0%)

Special Note: *Weaned calves are left untagged*

Compared to last Friday: All yearlings were not well compared as different weights and classes sold this week. No trend is available. Most yearlings were out of a grow lot this week and demand was light to moderate. Steer calves under 450 lbs sold steady in a narrow comparison, steer calves 450-549 lbs sold steady to 5.00 lower, steer calves over 550 lbs sold unevenly steady from weak to firm. Heifer calves under 450 lbs sold steady to 5.00 higher, heifer calves 450-549 lbs sold steady weak, heifers over 550 lbs sold steady to firm. Demand for calves remains slightly uneven as transportation remains the biggest factor limiting demand. Buyers focused on buying front end calves, especially ones with two rounds of vaccinations and passed or discounted average quality calves or calves with only spring shots. This led to wide price spreads throughout the sale. Calf quality this sale was mostly average to very attractive. Many high quality calves were seen this week. Most of these calves usually weigh in well over 600 lbs, however with drought conditions seen this summer, calves were weighing around 100 lbs lighter than last years averages. Demand for light weight calves suitable to develop into yearlings was good to very good. Market activity this week was moderate. Weigh up cows sold on light to moderate demand for light offerings. Slaughter cows sold steady to firm with last weeks prices as buyers tried to finish loads for the week. Feeding cows sold steady to 5.00 higher after last weeks big decline in price. Again most increase in price was caused by buyers trying to square loads. Weight up conditions were mostly below average this sale as cows sold late in the afternoon. Many cows tanked up off fresh clean water and good feed. Young age cows sold sharply lower on very light demand. Very few buyers were bidding on this class of cows. Supply included: 89% Feeder Cattle (40% Steers, 59% Heifers, 1% Bulls); 8% Slaughter Cattle (95% Cows, 5% Bulls); 3% Replacement Cattle (89% Stock Cows, 11% Bred Heifers). Feeder cattle supply over 600 lbs was 16%.

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.

Explanatory Notes:

Stage (Cattle) - Represents pregnancy stage (O = open; T1 = 1st Trimester, 1 to 3 months; T1-2 = 1st/2nd trimester, 1 to 6 months; T2 = 2nd Trimester, 4 to 6 months; T2-3 = 2nd/3rd Trimester, 4 to 9 months; T3 = 3rd Trimester, 7 to 9 months; T1-3 = all trimesters, 1 to 9 months)

Age - Numerical representation of age in years.
