Report 29

July 17, 2025

MMN Slug ID 1048 /Slug Name: MD_DA640

Email us with accessibility issues with this report.

Low/medium heat nonfat milk (NDM) prices were unchanged across all price series in the West. Domestic demand remains steady to lighter, while international demand continues to trend light. Spot load availability is generally sufficient, with manufacturers noting limited difficulty in fulfilling orders. Production schedules are mixed, ranging from steady to seasonally lighter. Prices for high heat NDM also held steady this week, with production noted as intermittent or seasonally reduced. Demand for high heat remains limited.
