Livestock Weighted Average Report for 6/6/2021 - 6/12/2021

## LIVESTOCK SUMMARY

	Current Week	Last Reported 5/31/2021	Last Year
<b>Total Receipts:</b>	17,255	17,805	23,512
<b>Feeder Cattle:</b>	15,956(92.5%)	17,136(96.2%)	22,525(95.8%)
<b>Slaughter Cattle:</b>	1,299(7.5%)	669(3.8%)	987(4.2%)

Compared to last week: Feeder steers under 900 lbs not well compared due to differences in flesh condition compared to this week's steers, over 900 lbs steady to 2.00 higher. Feeder heifers steady to 2.00 higher. Good demand for all weights of steers and heifers, only East River auctions this week so the flesh is heavier than last week as West River cattle are running out on grass and in thinner flesh. Drought conditions remain across the state with little relief, some rain fell East River but not widespread moisture which is desperately needed. Cattle feeders are faced with high costs of gain as cash corn is at 7.00 and the fat market only at 120.00, however with the back months of the futures contracts on either side of 130.00 there is still a lot of interest in feeding cattle. Strings of feedyard backgrounded yearlings continue to be offered, as they always do this time of year but more on a every other week basis. Auction barns are hosting their summertime BBQ appreciation sales, which always draw lots of consignments and lots of buyers who want to make full pens or even full yards of even, uniform cattle. More West River yearlings consigned in auctions for this coming week as the drought is forcing cattle off the range. Slaughter cows 2.00 to 4.00 higher, bulls 2.00 higher. Supply included: 92% Feeder Cattle (54% Steers, 46% Heifers); 8% Slaughter Cattle (37% Steers, 7% Dairy Steers, 29% Heifers, 25% Cows, 1% Bulls). Feeder cattle supply over 600 lbs was 93%.

## FEEDER CATTLE

### STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Head	Wt Range	Avg Wt	Price Range	Avg Price	
5	375	375	182.50	182.50
