Livestock Weighted Average Report for 11/13/2020 - 11/19/2020

LIVESTOCK SUMMARY

	Current Week	Last Reported 11/9/2020	Last Year
Total Receipts:	50,090	54,965	45,263
Feeder Cattle:	46,250(92.3%)	52,996(96.4%)	43,153(95.3%)
Slaughter Cattle:	3,840(7.7%)	1,969(3.6%)	2,110(4.7%)

Special Note: This report will not be released next week due to the Thanksgiving holiday week as there will only be 1 reported auction, as all other markets are closed for the week.

Compared to last week: Steer calves under 550 lbs 2.00 to 3.00 higher, instances to 7.00 higher on 400-450 lbs, over 550 lbs steady to 3.00 lower. Heifer calves steady to 1.00 higher. Yearling feeder steers steady to 2.00 lower, heifers steady to 5.00 lower. Moderate to good demand for calves, good demand remains for yearlings. A large offering of calves, with the largest sales in central and western South Dakota. Fewer calves coming to town East River as those producers are able to wean and grow their cattle longer and are hoping for an improved market. The western calves are light in flesh and sold in large strings making them highly desirable but the sheer volume of so many cattle moving in a short time period has put pressure on the market, as it does every year. The grass yearlings are gone and now just the feedyard backgrounded cattle remain, which are in a heavier to much heavier flesh condition. Corn price has gotten higher, Live Cattle futures have not risen as high as hoped, which is causing cattle feeders to rethink their approach to the feeder cattle market. Slaughter cows 3.00 to 4.00 lower, except the Breaker cows 10.00 lower, bulls 3.00 lower. Supply included: 92% Feeder Cattle (59% Steers, 41% Heifers, 0% Bulls); 8% Slaughter Cattle (51% Steers, 4% Dairy Steers, 31% Heifers, 12% Cows, 1% Bulls). Feeder cattle supply over 600 lbs was 43%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
