Livestock Weighted Average Report for 3/7/2021 - 3/13/2021

LIVESTOCK SUMMARY

	Current Week	Last Reported 3/1/2021	Last Year
Total Receipts:	32,856	32,240	22,983
Feeder Cattle:	31,010(94.4%)	29,295(90.9%)	21,578(93.9%)
Slaughter Cattle:	1,846(5.6%)	2,945(9.1%)	1,405(6.1%)

Compared to last week: Feeder steers under 600 lbs steady to 3.00 higher, except 450-500 lbs 3.00 to 4.00 lower, over 600 lbs steady to 3.00 lower. Feeder heifers steady to 2.00 higher, except 500-550 lbs 6.00 to 7.00 higher. Good demand for light weight cattle to background, very good demand for replacement quality heifers, only moderate demand for cattle bound for finishing yards. A large offering in the auctions again this week as producers work to get their yards emptied out before new crop calves start hitting the ground. April CME Live Cattle futures continued to disappoint as it stubbornly stays below 120.00, which is a key figure as many outgoing fed cattle were bought last year with a 120.00 breakeven. Cattle feeders watch the April contract very closely as that is normally the high of the year, when supplies of market ready cattle are the tightest. Feed cost are much higher now and concern of more losses is weighing on the feeder cattle market. Flesh condition is of utmost importance, especially in a challenging market, buyers are willing to give much more for a green one than for one that has been pushed too hard. The market is very active on cattle that will graze on grass as yearlings as turnout time is only two months away. The supply of these light cattle is very tight and when numbers of them show up in town the competition is fierce. A much greater supply of heavier, backgrounded steers and heifers exist. Slaughter cows steady to 1.00 lower, bulls 2.00 lower. Supply included: 94% Feeder Cattle (54% Steers, 46% Heifers, 0% Bulls); 6% Slaughter Cattle (54% Steers, 10% Dairy Steers, 15% Heifers, 19% Cows, 1% Bulls). Feeder cattle supply over 600 lbs was 79%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)
