Livestock Weighted Average Report for 2/28/2021 - 3/6/2021

LIVESTOCK SUMMARY

	Current Week	Last Reported 2/22/2021	Last Year
Total Receipts:	32,240	46,313	24,910
Feeder Cattle:	29,295(90.9%)	43,956(94.9%)	23,334(93.7%)
Slaughter Cattle:	2,945(9.1%)	2,357(5.1%)	1,576(6.3%)

Compared to last week: Feeder steers under 750 lbs steady to 2.00 lower, except 450-500 lbs and 550-600 lbs 1.00 to 2.00 higher, over 750 lbs 2.00 to 5.00 lower except 900-1000 lbs steady. Feeder heifers 2.00 to 4.00 lower. Very good demand for light fleshed cattle for backgrounding, only moderate demand for cattle bound for finishing yards. Cattle feeders backed off the gas this week in their pursuit of feeder cattle as a spring fed cattle rally seems to be withering away. April Live Cattle futures now only at 119.00, which is a now only a 5.00 premium to the current cash market. Large auction receipts again as spring is arriving quickly and calving time as well, cattle producers will need the additional space and time to devote to getting this year's calf crop on the ground. The arctic weather of two weeks ago was replaced with above normal temps which allowed cattle producers to get their cattle shipped to town easily. The market is very active for the cattle that will be backgrounded, either in a yard or on grass, as those cattle are getting tougher to find. There is a plentiful supply of heavier cattle that are heading to yards and are facing a much higher cost of gain as corn is substantially higher than last year, the market is not near as active for these cattle. Slaughter cows 2.00 to 4.00 lower, bulls 1.00 to 2.00 lower. Supply included: 91% Feeder Cattle (57% Steers, 43% Heifers, 0% Bulls); 9% Slaughter Cattle (47% Steers, 4% Dairy Steers, 35% Heifers, 13% Cows, 1% Bulls). Feeder cattle supply over 600 lbs was 82%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Head	Wt Range	Avg Wt	Price Range	Avg Price	
32	355-395	386	183.00-208.00	200.89
