Livestock Weighted Average Report for 4/10/2020 - Final

Livestock Exchange feeder cattle auction market has transitioned to summer schedules, combining with the Slaughter cows and bulls to be held on Thursdays. Due to typical light seasonal receipts, reporting of this market will resume when receipts warrant. Coverage will resume typically mid-August to the latter part of August 2020.

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
