Livestock Weighted Average Report for 9/23/2021 - Final

AUCTION

	This Week	Last Reported 9/16/2021	Last Year
Total Receipts:	5,488	2,896	1,188
Feeder Cattle:	4,513(82.2%)	1,226(42.3%)	678(57.1%)
Slaughter Cattle:	773(14.1%)	996(34.4%)	438(36.9%)
Replacement Cattle:	202(3.7%)	674(23.3%)	72(6.1%)

Compared to last week: Yearling steers were scarcely traded last week so no comparison is available. Steer calves under 500 lbs sold 8.00-12.00 higher, steers over 500 lbs were not well compared, however higher undertones were noticed. Yearling heifer were too lightly tested last sale to develop an accurate market trend, however steady to higher undertones were noticed. Heifer calves all sold steady to 5.00 higher. Quality this week was average to attractive. Demand for yearlings was mostly good. Demand for calves was moderate. The best demand for calves was for light weight calves suitable to develop into yearlings or big heavyweight calves that buyers hoped to have finished before the expiration of the April contract. Heavy supplies of calves continue to come early. Many buyers report corn belt feeders are not ready for calves as they are busy with harvest. Once buyers filled orders demand diminished. Market activity was mostly moderate to active. Weigh up cows sold on moderate demand for heavy offerings. Packers showed slightly stronger demand for slaughter cows this week. Harvest has started in the corn-belt and as a result packers are seeing less available supplies as farmers and dairy men are busy with harvest. Slaughter cows sold steady to firm on boning and lean cows, breaking cows sold mostly steady to 2.00 lower in a narrow comparison. Feeding cows sold generally steady. Cows were extremely full today as weigh-ups sold late in the day after the feeder sale. Weigh up conditions were mostly below average which made comparisons difficult. Slaughter bulls sold fully steady. Young age cows suitable to rebreed sold steady. Quality was average to very attractive and similar to last week. Demand remains very good. Supply included: 82% Feeder Cattle (53% Steers, 47% Heifers, 1% Bulls); 14% Slaughter Cattle (93% Cows, 7% Bulls); 4% Replacement Cattle (71% Stock Cows, 29% Bred Cows). Feeder cattle supply over 600 lbs was 25%.

FEEDER CATTLE

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.

Explanatory Notes:

Stage (Cattle) - Represents pregnancy stage (O = open; T1 = 1st Trimester, 1 to 3 months; T1-2 = 1st/2nd trimester, 1 to 6 months; T2 = 2nd Trimester, 4 to 6 months; T2-3 = 2nd/3rd Trimester, 4 to 9 months; T3 = 3rd Trimester, 7 to 9 months; T1-3 = all trimesters, 1 to 9 months)

Age - Numerical representation of age in years.
