Livestock Weighted Average Report for 10/11/2021 - Final

Market not reported this week as too few feeder cattle on offer to warrant market reporting. Corn harvest is in full swing and few cattle producers willing to stay out of the field long enough to haul their cattle to town.

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
