No trend this week as it was the first Bred Cow Special this fall. Cold weather and snow cover the region for the first Bred Cow Special this fall. A light crowd on the seats and a little internet bidding throughout the day. Overall a nice offering of all classes of Bred cows with older aged cows being the main interest of the day. Next week will be another calf special then the remainder of the year will be Bred Cow Specials. Supply included: 100% Replacement Cattle (89% Bred Cows, 11% Bred Heifers).
