South Dakota Weekly Cattle Auction Summary

Total Auction Receipts: 24,203

Last Week: 25,505

Last Year: 19,552

Compared to last week: Yearling feeder steers and heifers unevenly steady. Steer and heifer calves 3.00 to 8.00 lower. Good demand remains for yearlings, especially as the supply becomes more limited and the cash fed cattle market stabilized and rose higher. Demand for calves light to moderate at best. Farmer feeders haven't begun their corn harvest as the corn is still too wet and are now working as they can when the weather allows them to combine beans.
