Receipts last year: 1,270

Compared to last week: Feeder steers and heifers calves were too lightly tested last week to develop an accurate market trend, however lower undertones were noticed on all offerings. Yearlings were scarcely traded this sale thus no trend is available. Quality this sale was mostly plain to average and significantly lower than last week. Calves were offered mostly as singles or in small lots. Demand for calves was mostly light for light offerings. Market activity this sale was slow. Weigh up cows sold on mostly moderate demand for mostly heavy offerings. Packers showed stronger demand again this week for cows destined for immediate harvest. All classes of slaughter cows sold 2.00-5.00 higher. The cutter cow cutout was sharply higher last week pushing cow values into the low 180's on a carcass value. Feeding cow demand remains good. Feeding cows sold mostly steady with the exception of thin cows which packers are storing for the holiday lull and feeders are buying to turn out or feed silage; these cows sold 2.00-4.00 higher. Slaughter bulls were too lightly tested last sale to develop an accurate market trend, however higher undertones were noticed. Young re-breed cows sold on mostly light to moderate demand and offerings. Young age cows were of mostly average quality this week. Offerings sold steady to 5.00 lower. Supply included: 45% Feeder Cattle (35% Steers, 63% Heifers, 2% Bulls); 12% Slaughter Cattle (77% Cows, 23% Bulls); 43% Replacement Cattle (97% Stock Cows, 3% Bred Cows). Feeder cattle supply over 600 lbs was 24%.
