

KANSAS WEEKLY MARKET RECAP

Recap For Week Ending

April 30, 2021

Receipts: This Week: 9,358 Week Ago: 13,138 Year Ago: 11,959

Compared to last week, feeder Steers under 700 lbs sold 3.00 to 6.00 higher, while those over 700 lbs sold 1.00 to 2.00 higher. Feeder Heifers sold uneven; 1.00 lower to 4.00 higher. Slaughter Cows and bulls sold 1.00 to 2.00 higher. Demand was moderate to good. Hay market prices were steady across the state with demand light to moderate. Most hay that is moving, is hay to finish out old contracts to feeders. There are small amounts of alfalfa here and there, mostly lower quality hay, that can still be found, however, the supply is dwindling. This week, negotiated cash sales of fed steers and heifers in Kansas sold at 118.00 to 119.00.
