No recent price comparison as last couple week's receipts have been light due to the extreme cold temperatures and conditions that made traveling treacherous throughout the state. The undertone for grazing calves was firmer, while the heavier feeders had a weaker undertone. Hay market prices were steady for all hay types and demand remains strong, although fewer loads moved due to weather related issues. The sub-freezing temperatures last week tested everyone's patience. This week's negotiated cash sales of fed cattle in the Southern Plains reported at 114.00.
